

St. Augustine High School

OFFICE OF DEVELOPMENT AND ALUMNI RELATIONS

Dear Alumni and Friends,

Since joining St. Augustine's family earlier this year, I've had the opportunity to converse with many of our alumni and friends. We have talked about the needs and goals that St. Aug is constantly pursuing, and what it will take to continue fulfilling all of these objectives. At the core of all our endeavors is the struggle to be financially stable. Without proper funding we will not be able to do all that is needed to educate and develop our young men into the new leaders of tomorrow. I thank all those who have given of their resources in support of the students here at St. Aug, but our work is not finished.

Each One...Reach One

This is a call to action! I ask that each and every alumnus and friend of St. Augustine who is an active supporter to reach out and encourage a non active alumnus and/or friend of St. Aug to become an active annual supporter. The new theme of St. Aug's annual fund is "**MY BROTHER'S KEEPER**" and we are requesting a \$120 annual commitment from all alumni and friends. That's \$10 a month! Also, we wish to increase our annual alumni support from 3 percent to 15 percent this 2009-2010 school year. Though this effort may seem aggressive, it is extremely necessary for St. Augustine to continue its operation and maintaining its good works. As we focus on the future and all its possibilities, our faculty, staff, and most importantly, our students need you! We hope that you consider making a \$120 contribution to this year's "**MY BROTHER'S KEEPER**" Annual Fund.

I thank those active alumni/friends of St. Aug for their continuing support and I look forward to all the new alumni/friend partnerships to come.

Gratefully,

Nathaniel Brooks, Jr.

Director of Development/Alumni Relations
