Special Opportunities Service Hours

OPSB Leap 4 success Homework Hotline: Volunteers are needed to serve as telephone operators and tutors. Students interested in participating should contact Tanya Barrow-Hill at (504)359-8168 or (504)330-4280.

Langston Hughes Academy: Volunteers are needed to assist with tutoring especially fourth grade and above with their reading skills. Please contact Chad Smith at csmith@nola180.org or (504)606-0782.

Bayou Segnette Cypress Planting: Volunteers will plant over 3,000 pots of bald cypress to help restore our coastline. All planting equipment (gloves, shovels, etc.) will be provided. Lunch and drinks will also be provided. You can volunteer one or more days. Saturday, March 6 & March 13 from 9:00am to 4:00pm at Bayou Segnette State Park, 7777 Westbank Expressway, Westwego, LA 70094.

With these projects, as with all service hours' opportunities, students are responsible for obtaining proof of their service. Sometimes, with the larger projects like the Bayou Segnette one, they are unable to provide you with proof the day of the project. You should sign in and out the day of the project and then follow up with them for the letter.

Please check the Purpleknights.com web site often for updates. New locations are added continuously. To access the list you should click on the Announcements Tab.
